REPORT ON Arrest of Seven Koreans in French Town.

Made by D.S.Conduit. *Forwarded by*

Sir,

I beg to report that at 5.30am, this day, D.C.Okajima and I accompanied Japanese Magistrate Kinoshita and several Constables from the Japanese Consulate to Avenue Joffre Police Station we were met there by Detective Sidiane and several Chinese Detectives.

Three houses were visited and 7 Koreans were brought to the Joffre Station, the following is a list of the Koreans names,

Nyeu Sz Shung (元世熊), Nyeu Kung Zeu (牛公著), Tsung Yeu Ling (鄭有隣), Lee Chi Fok (李基福) arrested at No.8 Pau Kong Li, (寶康里) Avenue Joffre, Ling Hwo (林虎), and a man named Kim arrested in an alleyway near the first address, and Ching Kwe (金鏡) arrested at No. 5 Kung Sung Nyeu Li (公生牛里).

Magistrate Kinoshita said he had a warrant for the last named for committing three murders in Shanghai.

The French Police arranged with the Magistrate that they would hold all the Koreans in custody, until an application had been made at the French Consulate to have them handed over.

I have been informed by Okijima that the Japanese Consulate Authorites had made anapplication for 5 of the 7 Koreans. When the application was sent over, the Japanese were informed that the Police had released all the Koreans. I believe that the Japanese Consul General is taken the matter up with the French Authorities.

I am, Sir,
Yours obediently,
D.S.

REPORT ON Arrest and Release of Koreans in French Town

Made by D. I. Givens *Forwarded by*

Sir,

Enquiries made by Detective Kim go to show that the arrest of seven Koreans in French Town on May 14 created quite a sensation among a section of Koreans in French Town. The Korean residents of that Concession did not however make any demonstration against the arrest, but it is reported that a few prominent Koreans interviewed an official of the French Consulate about the matter. The prisoners were held in custody from 7 a.m. to 4 p.m. when they were released as the Japanese Authorities failed to produce any evidence against them.

I am, Sir,
Your obedient servant,
T. Givens

P. S. - From further inquiries made there is every reason to believe that the Korean who went to the French Consulate in connection with the above matter is Ahn Chang Ho (安昌浩), formerly Minister of Labour in the so-called "Korean Provisional Government". Ahn was educated in America. He went to French Consulate alone.
